

LEOTC Survey Competition - Terms & Conditions

Teachers who participate in a LEOTC school group visit to MOTAT and complete a post-visit feedback survey automatically go in the draw to win a Meccano Mecanoid G15KS robot for a school of their choice.

The prize will be drawn in December and the winner will be notified by email.

- One survey per teacher.
- Each survey will be randomly allocated a number. The winning number will be selected by an independent third party.
- Prize is not transferable, nor redeemable for cash or services in kind.
- Prize is awarded to the teacher completing the survey who will nominate a school of their choice to receive the prize.
- Prize will be available for collection from MOTAT, 805 Great North Road, Western Springs.
- MOTAT take no responsibility for any warranty, breakages, or ongoing service including replacement parts.
- The winner agrees to the use of their image, name and nominated school's name for marketing purposes on acceptance of the prize.
