# Free Professional Development when you book a school group

Research shows professional development plays a fundamental role in successful schools: improving overall outcomes for students and teacher job satisfaction.

At The Mind Lab, we're as passionate about continuous learning for teachers as we are about introducing kids to purposeful digital tech, so for a limited time we're offering **free PD for teachers**.

## The Offer

Simply book 40+ students for a half-day school-group session at The Mind Lab @MOTAT and we'll add on a free Professional Development session for teachers!

## The Details

- 2-hour hands-on PD session
- Up to 16 teachers
- Additional teachers \$60 + GST p.p
- Saving your school \$950 + GST!

*We'll tailor the PD session to your school. It can be on a specific tool/topic or a full exploration into contemporary ways of teaching.*
